

PROSPECTUS

Bachelor of Business Administration

KALIMPONG COLLEGE

NAAC ACCREDITED B++

ABOUT B.B.A. COURSE

Kalimpong College offers a self-financing course in Bachelor of Business Administration and it is the only regular professional three years degree course in Kalimpong affiliated Under University of North Bengal and approved by UGC.

The core focus of the course is to impart professional education and skill in management, administration, accounting, income-tax, corporate policies etc. to fit in globalized commercial field.

Department of B.B.A. follows the semester system, the course is divided into six semester of six month each at a total duration of three years.

The department has a standard and reasonable fee structure affordable by the common inhabitants.

Highly qualified, experienced and dedicated teachers from various streams are working to encourage and promote a lively learning environment among the students.

Regular class test is conducted in order to evaluate and to help each individual students to improve his/her academic performance continuously.

The library of Kalimpong College is a hub of academic and research activities. It also has a potential collection of valuable text-books and reference books for the business management students as per their syllabus. The library has a spacious and well-equipped reading hall for the students including free wi-fi internet facility.

Department of Business Administration also offers career oriented programs (C.O.P.) as add on certificate course in Travel and Tourism Management and Communicative English which includes Phonetics, Remedial Grammar and Writing Skills.

The department encourages learning through active participation of students in discussions in the form of seminar, debate, group discussions and presentations. To supplement the class-room interaction between teachers and students the department has provisions for home assignments and projects.
